PENN HILLS RECYCLES & WE NEED YOUR SUPPORT!!

This flyer is a reminder that on the designated day for recycling, Allied Waste will collect all recycling materials from your **Red Recycling Container**. Pennsylvania State Law and a local ordinance for the Municipality of Penn Hills both require participation in the municipality-recycling program. Your participation helps the whole community as the recycling program receives financial benefit from full participation in this program. Just a few simple guidelines outlined below to avoid any service interruptions:

- Place ALL your recyclable material in your **RED RECYCLE** container(s) furnished by Penn Hills!
- Large volumes of glass and newspaper can increase the weight of your recycling container(s). Please assure the weight of one container doesn't exceed 50-pounds.
- All Cardboard (No Pizza Boxes) must be broken down flat and shall be no more than 2-feet in length or width. We recommend you place your cardboard and paper in your recycling container(s) and if you are unable to place all in your containers, please bundle cardboard or place in paper bag to eliminate litter on windy days.
